

# CARE EXPERIENCED LEADERSHIP PROGRAMME

ARE YOU 14-25 AND CARE EXPERIENCED? IF SO, THIS PROGRAMME IS FOR YOU.

## EMPLOYABILITY

Get the skills you need for your dream job and gain a competitive edge as you prepare for future opportunities. Engage in sessions covering CV and cover letter writing, interview skills, workplace skills and job application procedures.

## INSIDE LEADING INDUSTRIES

You'll visit high-rise headquarters and offices and meet industry leaders working across different fields. They'll tell you about their career journey and give you advice on how to get ahead. You'll get to ask as many questions as you like to satisfy your curiosity and take away a useful resource from each day.

## FINANCIAL KNOWLEDGE

Gain essential knowledge in managing money effectively and building a solid foundation for financial well-being. Learn about budgeting, saving, investing, and other things that can secure your financial success.

## FUTURE OPPORTUNITIES

Joining the Leadership Programme automatically makes you a part of the Youth Leads UK network where you'll get even more opportunities and we'll do all in our power to help you.

## SOCIAL ACTION

Uncover the power of social action and its ability to help with issues that are local to you. Develop your problem-solving and leadership skills as you plan and carry out your own social action project to make an impact in your community.

## AWAY FROM THE NORM

Engage in a series of social events aimed at building connections, integrating into society, and strengthening bonds within the community. Develop lasting friendships and networks to support your personal and professional growth.
