### Opinions of the Press on the Cricket & Football Handbooks.

"Should be in the hands of all lovers of the pastime . . . A perusal of it adds to its previous reputation."—*Yorkshire Post*.

"It is almost unnecessary to say that it is edited with that care which characterizes all undertaken by this firm, and that it is quite as neat, cheap, and reliable as its predecessors."—*Manchester Courier*.

"The mere mention of the fact that the new books are ready is sufficient to ensure their sale, as Fletcher & Speight's publications are universally known for their completeness and excellency."—*Cricketers' Herald*.

"They contain a host of information, including match fixtures of all the principal clubs in the country. It is a really wonderful Twopennyworth, its size making it convenient to be carried in the waistcoat pocket."—*Barrow News*.
