

School Food: What to expect when your child has lunch with us. We are a specialist foodservice provider for schools, that care about providing a well-balanced diet so your child has the energy they need to learn. We cater for different requirements including **vegan, gluten free, dairy free, diabetic, vegetarian, halal and other special diets. We are a completely nut free service.**

We comply not only with School Food Standards (nutritional guidelines), Silver Food for Life, and comply with public sector buying, our suppliers have also had to undergo a range of rigorous checks.

We're delighted to let you know that Bury School Catering have recently been awarded both the "Food for Life Served Here" award at silver level and the "Green Kitchen Standard" from the Soil Association.

These prestigious certifications from the UK's leading food and farming charity recognise Bury Council's dedication to providing school meals that are not only delicious, but are good for our children's health, nature and the climate and ensuring kitchen practise minimises water, energy and waste.

What the awards means for your school meals:

Achieving the certifications has been a journey, and part of this is a rigorous inspection process by the Soil Association team. A few key things that this ensures are:

Food for Life Served Here:

- **Meat and eggs are all sourced from the UK**, from good animal welfare systems, fish is not endangered, and all meat and eggs can be traced back to the farm and they only source from farmers who champion animal welfare.
- The ingredients used are completely **free from nasty additives**, trans fats and GMOs. As well as all this, menus are inclusive of cultural and dietary needs. We understand that every child has unique requirements the importance that everyone is catered for.
- By opting to use **seasonal ingredients, carbon emissions are lowered** and the negative impact of your food on the environment is reduced, meaning that our menus are sustainable.
- Local and organic produce are featured on the menus.

Green Kitchen Standard:

- A waste minimisation plan has been developed and is ensuring waste food is being reduced. Any waste that is generated is turned into compost.
- Bury Council has an extensive environmental policy with the catering operation considered throughout.
- A strong procurement policy is in place ensuring minimal disposable products are used and those that have high environmental credentials.

Bury Council are only the second council in the UK to achieve Green Kitchen Standard for all their schools and we feel super proud of our achievements.

OUR AWARDS

At Bury Catering we pride ourselves in providing the best quality ingredients that go into our children's meals. We provide a wide range of foods across the week and use fresh, sustainable and locally sourced ingredients. We have recently been awarded the Food for Life - Silver Award and Green Kitchen Award.

WE ARE LOOKING FOR PEOPLE TO JOIN OUR TEAM

Our roles are always in high demand because our rates of pay are excellent, and our hours are term-time only. We offer full on-job training and there are opportunities to work towards nationally recognised qualifications and rise through the ranks. However, if you are motivated and hard-working, men or women of any culture, please contact us and we will see what vacancies we have - permanent and casual.

If you want to enquire about vacancies directly, you can contact us on 0161 253 7682 between 9am and 4pm Monday to Friday during term-time.

FUN STATISTICS

Did you know we provide 10,000 meals a day? In a school year that's 1.9m healthy and sustainable meals, just in Bury. Did you know school meals started in 1906 and have experienced many changes since then?

FUN LUNCHESES & OTHER MARKETING

We provide fun lunches, to encourage more pupils to try a school meal but if you also want to keep up with the other things we are doing, visit our facebook page Schools Catering Service - Bury Council.

AIMS

Our sole purpose is to provide a positive food experience for children which gives you value for money and peace of mind that our meals are healthy and focused on your child and your child's planet.
