

Bury's COVID-19 Vaccination 1st Dose Rollout (Phase 1, 2 & 3)

In Bury we are delivering the vaccination to those groups prioritised by scientists and the Government, and we are making good progress.

This chart gives an indication of the timescales we are working to, to roll out the vaccination, however, the timescales are dependent on receiving the vaccination supplies that are expected over the coming weeks and months, therefore is subject to change beyond our control.

Second doses will be delivered within 12 weeks of the first dose.

Key.

- Phase 1 1st Dose : █
- Phase 2 1st Dose : █
- Phase 3 1st Dose : █
