

The Bury COVID-19 Vaccinometer

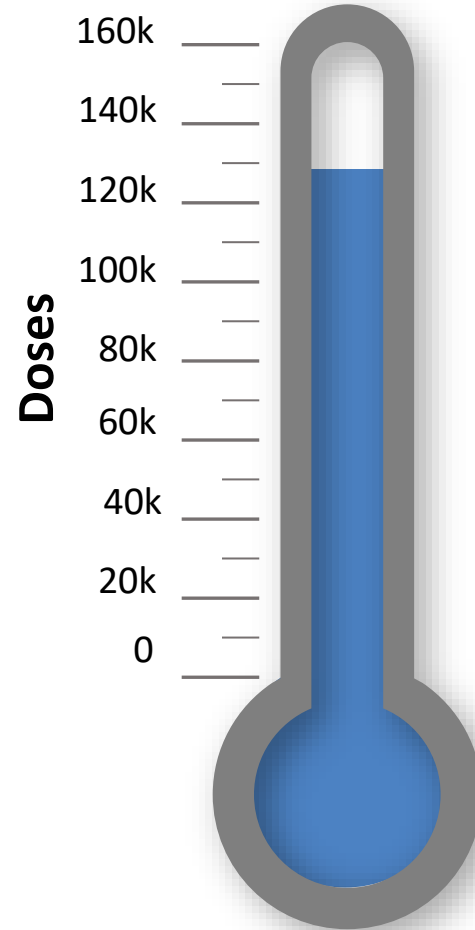

RUNNING TOTAL:

129,210 first doses

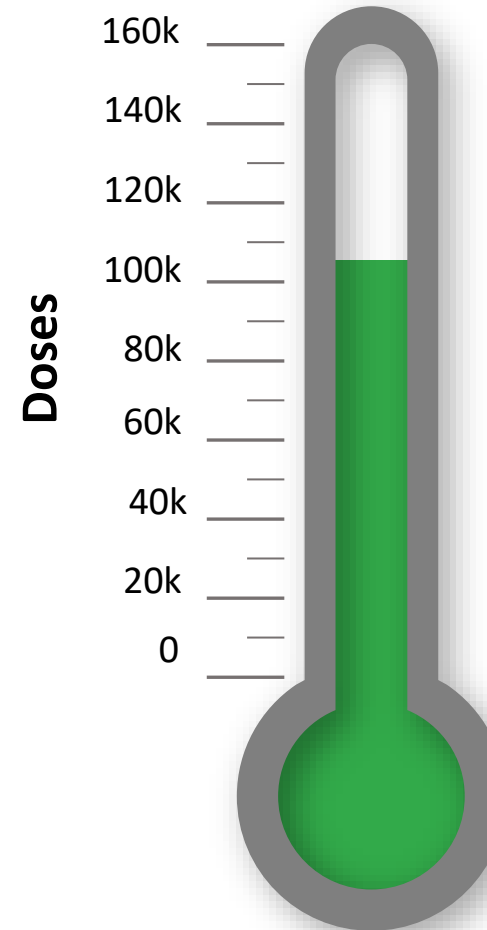

105,756 second doses

As at 25/7/2021

FIRST DOSES GIVEN

SECOND DOSES GIVEN

- This chart shows the total number of doses delivered at local vaccination centres, hospital hubs and regional vaccination centres to eligible Bury patients.
- Due to reporting delays actual numbers vaccinated are likely to be higher.
- Data source: National Immunisation Management Service (NIMS).
