

1. Improved access to the park from Abden Street
2. Lawn for informal seating, play and small scale gatherings
3. Main footpath with lighting
4. Secondary informal footpath
5. Outdoor gym area
6. Communal garden with raised planting bed
7. Playground with natural play features
8. Improved setting of Abden Street with planted Raingardens*
9. Enhanced biodiversity with meadow planting
10. Fruit bearing trees and shrubs to the communal garden area
11. Planting buffer with small flowering trees and shrubs for seasonal interest

* The feasibility of Raingardens needs confirmation from utility and tree surveys
