

Appendix 13 – Analysis of PNA Consultation

The formal consultation period of this Pharmaceutical Needs Assessment (PNA) ran from 22nd September 2025 until 20th November 2025. The draft PNA and consultation response form were issued to all the compulsory stakeholders listed in Appendix nine. The documents were posted on the council website with 6 respondents during the period. The full results and replies are published in the table below.

The draft PNA aims to identify pharmacy need across your area. Does it achieve this?	You answered NO to Q2, please can you explain why.	Do you know of any relevant information that you think has not been included which could affect the conclusions and recommendations of this PNA?	You answered YES to Q4, please can you provide additional information.	The draft 2025-2028 PNA shows that pharmaceutical provision is satisfactory with no identified gaps. Do you agree?	You answered NO to Q6, what else should be considered?	Do you have any other relevant comments to add regarding the 2025-2028 draft PNA?	Reply
Yes		No		Yes		<ul style="list-style-type: none"> 1.2: Reference to Boots Woodfield's being included in the 100 hour pharmacy numbers - it is no longer. 	Is still classed as a 100 hour contract, but reduced hours with recent changes to regulations. This is referenced in document.
						<ul style="list-style-type: none"> Similar map issues as Rochdale where Map 2 has been listed twice affecting sequence and other references. 	Map 2 is only referenced once in main document and appendices
