

Independent auditor's report to the members of Bury Metropolitan Borough Council

Report on the audit of the financial statements

Disclaimer of opinion on the financial statements

We were appointed to audit the financial statements of Bury Metropolitan Borough Council ("the Council") and its subsidiaries and joint ventures ("the Group") for the year ended 31 March 2025, which comprise the Council and Group Comprehensive Income and Expenditure Statement, the Council and Group Movement in Reserves Statement, the Council and Group Balance Sheet, the Council and Group Cash Flow Statement, the Housing Revenue Account Income and Expenditure Statement, the Movement on the Housing Revenue Account Statement, the Collection Fund Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2024/25.

We do not express an opinion on the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

Basis for disclaimer of opinion

On 30 September 2024, the Accounts and Audit (Amendment) Regulations 2024 ('The Amendment Regulations') came into force. The Amendment Regulations specify the date by which the Council is required to publish its Accountability Statements, which include the financial statements and the auditor's opinion, for each financial year. The Council is required to publish its Accountability Statements for the year ended 31 March 2025, by 27 February 2026 ('the 2026 backstop date').

We issued disclaimers of opinion in relation to the financial statements for the years ended 31 March 2022 to 2023 on 12 December 2024 and on 28 February 2025 a disclaimer of opinion was issued in relation to the financial statements for the year ended 31 March 2024. The disclaimers of opinion were issued as there was insufficient time to perform all necessary audit procedures to obtain sufficient appropriate evidence upon which to form an opinion before the relevant backstop dates specified in the Amendment Regulations.

The National Audit Office issued guidance to auditors on rebuilding assurance following backstop-related disclaimers of opinion through Local Audit Reset and Recovery Implementation Guidance 06 ("LARRIG 06") in June 2025. We have had regard to LARRIG 06 and other relevant guidance and determined that there is not sufficient time to carry out the procedures we deem necessary to rebuild assurance. As a result, we are not able to obtain sufficient appropriate evidence upon which to form an opinion on the financial statements for the year ended 31 March 2025 before the 2026 backstop date.

Responsibilities of the Director of Finance for the financial statements

As explained more fully in the Statement of the Director of Finance's Responsibilities, the Director of Finance is responsible for the preparation of the Statement of Accounts, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2024/25, and for being satisfied that they give a true and fair view. The Director of Finance is also responsible for such internal control as the Director of Finance determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The Director of Finance is required to comply with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2024/25 and prepare the financial statements on a going concern basis on the assumption that the functions of the Council will continue in operational existence for the foreseeable future. The

Director of Finance is responsible for assessing each year whether or not it is appropriate for the Council and Group to prepare its accounts on the going concern basis and disclosing, as applicable, matters related to going concern.

Auditor’s responsibilities for the audit of the financial statements

Our responsibility is to conduct an audit of the Council’s and Group’s financial statements in accordance with International Standards on Auditing (UK) and to issue an auditor’s report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements. In reaching this judgement we have complied with the requirements of the Code of Audit Practice and have had regard to the Local Audit Reset and Recovery Implementation Guidance published by the National Audit Office and endorsed by the Financial Reporting Council.

We are independent of the Council and Group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC’s Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council’s website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor’s report.

Report on the Council ’s arrangements for securing economy, efficiency, and effectiveness in its use of resources

Matter on which we are required to report by exception

We are required to report to you if, in our view we are not satisfied that the Council has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2025.

On the basis of our work, having regard to the guidance issued by the Comptroller and Auditor General in November 2024, we have identified the following significant weaknesses in the Council’s arrangements for the year ended 31 March 2025.

In March 2022 we identified significant weaknesses in relation to Governance and Improving Economy, Efficiency and Effectiveness for the 2020/2021 year. In December 2024 we identified a significant weakness in relation to Financial Sustainability for the 2022/23 year. In February 2025, the weaknesses remained for the year ended 31 March 2024.

In our view these significant weaknesses remained for the year ended 31 March 2025.

Significant weakness in arrangements – issued in a previous year	Recommendation
<p>Ofsted Inspection: Children’s Services OFSTED has judged the Children’s Services provided by Bury to be ‘inadequate’.</p> <p>In our view this is indicative of a significant weakness in the Council’s arrangements in relation to the governance and improving economy, efficiency and effectiveness reporting criteria.</p>	<p>We recommend the Council puts in place robust arrangements to ensure the actions identified in its improvement plan are being delivered on time and have the required impact on the quality of service provided to, and the safety of, children in the Borough.</p>

<p>Weaknesses in Internal Control</p> <p>We reported several issues including the poor quality of the draft accounts because of problems with underlying records and compliance with statutory deadlines for publication of draft accounts. The issues identified affected significant balances within the draft accounts published by the Council.</p> <p>Additionally, internal control weaknesses have been highlighted by both Internal Audit and the Information Commissioner's Office (ICO).</p> <p>In our view, the totality of the issues identified indicates a significant weakness in relation to the governance reporting criteria.</p>	<p>The Council should ensure it has arrangements in place for strengthening and maintaining the adequacy and effectiveness of the internal control framework.</p>
<p>Financial Sustainability</p> <p>The Council's budgets have relied on the use of reserves to achieve a balanced position, with continued overspends reported, The Council has also accumulated a large deficit balance in relation to Dedicated Schools.</p>	<p>The Council should undertake a full review of how it delivers and funds its services, including developing and implementing sustainable financial plans to ensure services can be provided within available resources. Sufficient information should be provided to Members so they can understand the position of the Council and actions.</p> <p>Any planned use of capital receipts flexibilities should be fully supported and in-line with the Statutory guidance and in the timeframe allowed by the current direction.</p>

Responsibilities of the Council

The Council is responsible for putting in place proper arrangements to secure economy, efficiency, and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

We are required under Section 20(1)(c) of the Local Audit and Accountability Act 2014 to satisfy ourselves that the Council has made proper arrangements for securing economy, efficiency, and effectiveness in its use of resources. We are not required to consider, nor have we considered, whether all aspects of the Council's arrangements for securing economy, efficiency, and effectiveness in its use of resources are operating effectively.

We have undertaken our work in accordance with the Code of Audit Practice, having regard to the guidance issued by the Comptroller and Auditor General in November 2024.

Matters on which we are required to report by exception under the Code of Audit Practice

We are required by the Code of Audit Practice to report to you if:

- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014;

- we exercise any other special powers of the auditor under sections 28, 29 or 31 of the Local Audit and Accountability Act 2014.

We have nothing to report in these respects.

We are also required by the Code of Audit Practice, to give an opinion on whether other information published together with the audited financial statements, is consistent with the financial statements. Because of the matter described in the Basis for Disclaimer of Opinion section we do not express an opinion on the financial statements. We also do not express an opinion on whether other information published together with the audited financial statements is consistent with the financial statements.
