

Early Years Development Programme

Support • Training • Resources

At DSUK, we are committed to ensuring that professionals working with children and young people with Down syndrome have the necessary information and support to help them thrive. Having received National Lottery Funding to create DSUK's Early Years Development Programme (EYDP), following a programme pilot, we are excited to launch the full programme to all early years settings.

- A **comprehensive package** of information, guidance and ongoing support
- A **specialised bank of resources**, with a suite of more than 60 video recordings created by experts in their field
- A **wide range of topics** covered, including an introduction to Down syndrome; promoting communication; development of speech; early reading; numeracy skills; and health and physical development including toilet training and physiotherapy
- **Tailored** to the developmental needs of preschool children with Down syndrome in their early years setting
- Access to **ongoing support** via regular online training/support sessions.
- An **extensive printed toolkit** of recommended resources to support their child's development
