BURY.**

TEL. BURY 968.

A THOROUGHLY equipped Boarding and Day School under the Board of Education. The school has existed for nearly 60 years and was recognised as a Secondary School in 1905.

There are about 180 pupils, mostly local day scholars, but also many from surrounding districts: Radcliffe, Whitefield, Prestwich, Tottington, Heywood, Rochdale, etc. The rest are boarders from all parts of England. A limited number of foreign girls is admitted, and the pupils have thus the opportunity of practising foreign languages.

There is a Preparatory School and Kindergarten for boys and girls in a separate building detached from the main school (ages 4—9)

Conveniently situated in an open healthy part of the town. School buildings admirably adapted to their purpose, including a beautiful and spacious Art Room, a fine Hall, fitted with up-to-date gymnastic equipment, light and airy classrooms, a big Dining Hall and well-heated Dormitories with separate rooms for the older girls.

Curriculum comprises Religious Knowledge, English, Latin, French, Mathematics, Botany, Physics, Chemistry, Needlework, Handicrafts, Painting, Calisthenics, Drawing, Art, Singing. Violin, Piano and Elocution optional. Orchestra classes.

Girls are prepared for the Matriculation and Higher School Certificate of the Northern Universities, for the Associated Board of the Royal Academy and the Royal College of Music (Piano, Violin, Elocution).

Every facility afforded for games. Good Tennis and Net-ball Courts. Swimming, Ballroom, and Country Dancing taught.

The Headmistress, a Bachelor of Arts of Oxford University, who holds an Education Diploma, is assisted by an excellently qualified and experienced staff, including a trained Nurse.

Fees moderate. For Boarding terms apply to Sister Superior.
