Having been established over fourteen years, we have ascertained by constant study the exact class of Goods suitable for this District. It is always our practice, as each Season comes round, to produce such a variety of the CHOICEST STYLES in

MEN'S, YOUTHS', & BOYS' CLOTHING

as is not shown by any other house in the Town or District.

Every Garment we sell is made under the personal supervision of the Proprietors, and as we purchase all Materials, such as Cloths, Trimmings, &c., direct from the Manufacturers, and not through middlemen, we are enabled to give our numerous customers the full benefit of all the superior advantages we possess in buying and manufacturing, and guarantee satisfaction.

Measure Order Department.—The ranges in this Department are very extensive, and consist of the Latest and Most Select Designs in every description of Worsted and Woollen Cloths in all the New Patterns and Improved Makes, stylishly cut, and made up in the best manner by Men Tailors, in spacious and healthy workrooms on the premises.

FIT & WORKMANSHIP GUARANTEED.

BUSINESS PRINCIPLES:—

- 1.—Ready Money.
 - 2.—The smallest rate of Profit is charged.
 - 3.—The lowest price is marked on each article, from which there is no deviation.
 - 4.—Any article not approved of is immediately exchanged, altered, or another made, provided it has not been worn or soiled; and if these endeavours do not give satisfaction, the money is returned.
