SPECIAL APPOINTMENT

TO HER MAJESTY
AND
ALL THE ROYAL FAMILY.

J. SCHWEPPE & Co.

MANUFACTURERS OF

SODA WATER, LEMONADE,

AND OTHER AERATED WATERS,

No. 51, BERNERS STREET, LONDON;

Branch Manufactories at Liverpool, Bristol, and Derby.

The continued preference of the Public, throughout the United Kingdom, so abundantly proves the superior quality of the above Waters, that it only remains for the Manufacturers to express their acknowledgments, and respectfully to solicit attention to the RED LABEL over the Cork, having their name on each side, without which *none* is genuine; this is necessary, as many of the inferior Makers use SCHWEPPE'S BOTTLES, in order to pass off their own spurious composition as *Schweppe's Manufacture*.

N.B. The largest Importers of German Seltzer Water.
