

How we are funded

Bury Council receives funding from a variety of sources including central government grants, business rates as well as your council tax. Almost half the Council's funding is ringfenced for spending on specific areas which include schools, social care and public health.

How we spend our funding

We've worked out for every £100 the Council spends, this is where the money goes. Some of this is ringfenced for spending on specific areas including schools, social care and public health. Other expenditure is on day-to-day services such as keeping the streets clean, repairing the roads, collecting rubbish and looking after our green spaces.

Let's switch to bury.gov.uk

Did you know, you can access many services online through the Bury Council website? It's quick, easy and you can do it any time.

Bury One Account

Register for a Bury One Account and you can report issues such as potholes, faulty street lights, and a missed bin collection.

You only need to enter your details once and are able to view issues you have previously reported, all in one place.
