

DISTRIBUTION OF PLACES IN BURY SECONDARY SCHOOLS FOR SEPTEMBER 2025

INFORMATION SHEET

All Schools

Children with Special Educational Needs or an Education, Health & Care Plan will be given a place at the school named on their EHCP.

All figures below are given as at 1 March 2025.

Oversubscription Criteria for Community Secondary Schools in Bury for September 2025

Category 1 Children in public care (Looked after Children) and previously looked after children

Category 2 Children who have an older brother or sister in the school in September 2025. For this purpose, a brother or sister may be a full or a stepbrother or a full or step-sister, living at the same address, at the time of admission

Category 3 Other children

If there is over-subscription in any category, places will be offered using straight line distance from the child's home address to the school as a tiebreaker. The distance will be measured using the Local Authority's computerised mapping system, which measures from the address point of the home property to the address point of the school as defined by Bury Council's LLPG (Local Land and Property Gazetteer). Where the final place in a year group can be taken by two or more children living an equal distance from the school, (for example two children living in the same block of flats) the Local Authority will then use random allocation to decide which of the children can be offered a place.

If applications are received after the closing date, it is not always possible to offer a place even if a place would have been offered if the application had been received on time.
