SEND SERVICES UPDATE

Pathway to Employment: Creating A smooth transition from School/College into employment.

Against a backdrop of a transition from adolescence to adulthood your parental pride swells as your child finishes school or college and looks to the future. This can be a roller coaster excitement and worry as you try to support them to navigate the complexities of their personal life and the world of work. This can make the difference between a young person making a successful transition from school into employment or getting stuck in a gap of unemployment with significantly reduced prospects uncertainty as to where to go for help and then what do you do.

I am the bridge in the gap!

I am Zerqa Ahmad and have almost 22 years' experience of working for Bury Council to support young people with Special Educational Needs and Disability (SEND) into supported employment or work opportunities. I have worked in my current role as Business Development Officer for over a year.

My main role is to support young people with Education Health and Care Plan's (EHCPs) post 16 into a smooth transition from school/college into a pathway of employment. I do this by working in partnership with employers, schools, colleges, providers and parents so that young people with SEND are offered suitable work placements, supported internships, traineeships and employment opportunities.

This is done by profiling, job matching, advising and guiding work search, employer engagement, negotiating reasonable adjustments based on individual SEND needs, providing in work support, interview support, building confidence and self-esteem, action planning and help to overcome barriers into employment.

I have had huge successes over the years from being a finalist for Employee of the Year at work, completing hiking up 3 peaks challenges to winning Best Asian Actress Oracle Awards twice. But most importantly, increasing job outcomes in supported internships throughout the Bury Borough. These Young People are those who would not normally be able to engage in work experience and have little chance of gaining paid employment. Through the partnership the attitudes of employers, parents and the Young Person towards their suitability for work experience and paid employment has been changed.

Like they say "Teamwork is Dreamwork"

If you require any further information, please email me on z.ahmad@bury.gov.uk.

Bury Educational Psychology Department

Our journey to building a sustainable educational psychology service is gathering momentum. Despite significant on-going recruitment challenges faced by the profession nationally, Bury EP service will be welcoming two assistant principal EPs, two trainee EPs and three assistant EPs, increasing capacity significantly compared to last year. This is part of a wider workforce development plan to grow the service to be an integral part of Bury's SEND and also wider educational support offer. Bury EP service will be working with other services across SEND from September to deliver a range of early intervention, training and project work to settings, CYP, families and the wider community. We welcome any suggestions for joint partnership working with CYP, families, settings and the wider community.

Local area inspection of Special Educational Needs and Disability Services (SEND) in Bury

Ofsted & CQC have published their report following the local area inspection of Special Educational Needs and Disability Services (SEND) in Bury <https://reports.ofsted.gov.uk/provider/44/80443>

While the inspection took place in February, we have been unable to share this with you earlier as publication of the report was delayed due to the local elections.

What the report says

The Ofsted & CQC SEND inspection framework does not use the familiar wording ('Outstanding/Good/Requires Improvement/Inadequate'), but instead it places local areas in one of three outcome areas:

- The local area partnership's SEND arrangements typically lead to positive experiences and outcomes for children and young people with SEND. The local area partnership is taking action where improvements are needed.
- The local area partnership's arrangements lead to inconsistent experiences and outcomes for children and young people with SEND. The local area partnership must work jointly to make improvements.
- There are widespread and/or systemic failings leading to significant concerns about the experiences and outcomes of children and young people with SEND, which the local area partnership must address urgently.

Inspectors felt that there were systemic failings in the Bury local area, with a number of priority actions required of the local area partnership.

Our response

During the last two years we've undertaken a root and branch review of the local SEND system.

We recognised that we needed to invest in local services to address the long waits for assessment and access to services being experienced by children and their parents. We also recognised that there was not enough local specialist provision to meet need.

We have re-established an Early Years team within Children's Services, substantially increased our capacity to assess children for Education, Health and Care plans. We have also agreed with the Department for Education (DfE) to establish 2 new special schools and more specialist provision attached to primary and secondary schools.

The local partnership is also investing in additional health services for Bury children – investing £1.4m in CAMHS (child and adolescent mental health service) services; and £300,000 for more Health visitors. We have launched innovative approaches in schools, such as Mental Health Support Teams and a targeted Speech and Language service.

We have worked with parents and young people to develop new services, with weekly meetings with representatives from BURY2GETHER and the forum being represented at decision-making boards.

What difference has this made?

Timeliness of assessment for an Education, Health and Care plan (EHCP) has risen from 22% to 75% in the last 2 years.

Waiting lists for health services have reduced substantially since the start of 2023, although they remain longer than we would wish:

- Core CAMHS wait reduced by 65% to 9 weeks.
- Community Paediatrics reduced by 50% to 39 weeks.
- Physiotherapy reduced by 48% to 13 weeks.
- Occupational Therapy reduced by 56% to 22 weeks.

Next steps

Our SEND Strategic Partnership Board has been reviewed and a new SEND Improvement Assurance Board has been established. It includes strategic partners, including Bury2Gether and will be independently chaired by someone with experience of leading other SEND improvement and assurance boards in other local areas.

We are developing a Priority Action Plan, which builds on the activity already underway in existing plans and which is being co-produced with partners, parents and young people. It will be submitted to Ofsted & CQC next month who will then publish once approved. As part of this process, Ofsted & CQC will return to Bury in approximately 12 months for a review of our progress with six monthly monitoring meetings.

We will continue to share information about our progress in regular communications with you and through the forum.

Inspectors recognised the breadth, ambition, and appropriateness of Bury's strategy, but did not feel that it had yet had the desired positive impact for children and families. We are disappointed by their conclusions, but welcome their recognition of the improvements made, while also recognising the distance we still must go. All local partners remain committed to improving services for children and families in Bury.

Yours sincerely,

Jeanette Richards,
Executive Director of Childrens Services

Will Blandamer,
Executive Director, Health and Adult Care- Bury Council and Deputy Place Lead- NHS GM (Bury)
Working as part of the Bury Integrated Care Partnership

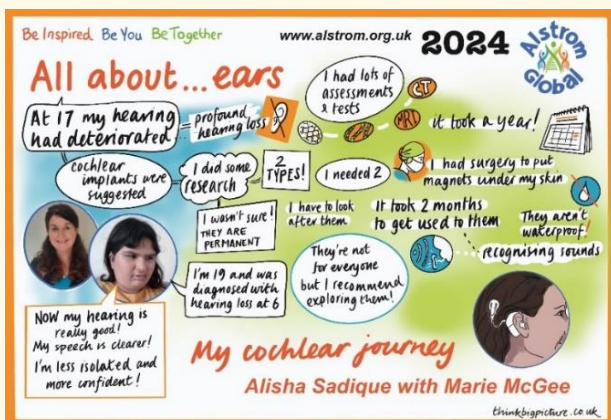

Vision and Hearing Impairment/Deaf Education Service

The HI Service is delighted to share some wonderful success stories of our past students. While there are so many to choose from, we have thrown the spotlight on Alisha and Tom who are both doing themselves extremely proud!

Alisha is completing her final year at The Hub (Elms Bank College). During last summer she made the brave decision to go ahead with cochlear implant surgery as her hearing had been steadily deteriorating over the years. This decision was a big one for Alisha as she is also blind and therefore relies completely on her hearing to give her access to the world around her. Alisha's surgery was successful and after a couple of months of hard work, she was listening again to the point where she was hearing quieter sounds that she hadn't heard for years!

Alisha is a young ambassador for Alstrom UK and recently spoke at their online global conference about her Cochlear Implant journey.

Alisha says, 'I enjoy my visits from the HI/VI Education Service as it means I have the opportunity to ask questions and talk things through. If I'm worried the specialist teachers are able to explain things and reassure me, and we can research information together.'

We are very proud of Alisha and what she has achieved so far and can't wait to see what her future holds!

Alisha Sadique (St. Luke's, Millwood, Elms Bank & Hub)

Tom is deaf and has been using cochlear implants since he was five years old. Tom has never allowed his deafness to stop him from doing anything! He has been part of a local youth theatre group, played the trumpet in a youth orchestra, achieved his Bronze Duke of Edinburgh award, and loves Parkrun. Tom has had involvement in the deaf charity CICS which lead to brilliant opportunities like going to Alton Towers for a weekend and more recently, meeting Finnish deaf people and staying in London and Brighton for 5 days. Tom is currently doing 3 A-levels in History, Politics and Economics; and is planning to pursue a degree at university in one of these subject areas. Fantastic Tom - Keep in touch!

Tom Gilbertson (St. Margaret's Primary, Parrenthorn, Holy cross)

Well done you guys – we're so proud of you all and love hearing about your adventures!

Hulya Whittaker & Alison Mobey
Advisory Teacher & Specialist Teacher of the Deaf:
Vision & Hearing/Deaf Education Service
H.Whittaker@bury.gov.uk/A.Mobey@bury.gov.uk

School & College Transport Team

Following the recent consultation regarding the policy for travel arrangements for children and young people with special educational needs and disability a report was presented to the Council's Cabinet members on 17 April 2024.

Elected members approved the introduction of the new policy and this will be implemented from 1 June 2024.

The new policy will be updated on the Council's website and further communication will be issued to parents and carers within the next few weeks.

A copy of the cabinet report and the new policy can be viewed on the Council's website: [Home to School Travel Assistance](#)

The Local Offer is an online information source for children and young people with Special Educational Needs and their families: [SEND Local Offer In Bury \(theburydirectory.co.uk\)](https://theburydirectory.co.uk)

Bury's Local Offer is currently under review and the Friends of the Local Offer meetings are an informal get together for any parent, carer, service user or service representative from across Bury to find out the latest updates. The meetings are also an opportunity for anyone to have their say about the design and content of the Local Offer.

There will be a total of four meeting dates across the summer term.
Virtual meeting dates will be as follows:

Monday 13 th May 2024 7-8pm	<u>Join the meeting now</u>
Tuesday 11 th June 2024 7-8pm	<u>Join the meeting now</u>

There is no need to book on the meetings; just click the link on the day to join.

There will also be two daytime face-to-face meeting dates arranged at [Redvales Family Hub, Dorset Drive, Bury, BL9 9DN:](#)

Tuesday 7 th May 2024	1.00pm-2.30pm
Friday 7 th June 2024	10.00am-11.30am

There is no need to book on these meetings; just turn up on the day to join in.

For further information, email send.localoffer@bury.gov.uk
We look forward to seeing you there!

The Graduated Approach Toolkit (GAT) is an online resource to support Bury schools, services and families with understanding and using the Graduated Approach as outlined in the SEND Code of Practice. The Toolkit can be found here:

Bury SEND Graduated Approach Toolkit | The Bury Directory

Although some areas of the Toolkit are still under development, we are hoping for the Early Years section to be populated early in the summer term. Further co-production events are also scheduled for the summer term to seek stakeholder views about the content and structure of the post-16 section. If any service, organisation, or individual would like to join the sessions to contribute their ideas about the content or structure of the post-16 section, you will be welcomed at any of the events. Details of the dates and times can be found on the Local Offer by clicking on this link:

Graduated Approach Toolkit Events | The Bury Directory

Any questions or comments about the Toolkit or the CPD events can be directed to Cath Atherden, Service Lead, SEND Support: c.atherden@bury.gov.uk

A poster for "Portage little stars" featuring a yellow background with large gold stars. The text "Portage little stars" is in a large, blue, serif font. Below it, "Tuesdays 1pm -2:30pm" is written in a smaller, blue, cursive font. In the center, a large gold circle contains the text "A sensory stay and play session for children aged 0-2 years with special educational needs or disabilities" in a blue, cursive font. At the bottom left is the National Portage Association logo, and at the bottom right is the text "Please email to book on: portageservice@bury.gov.uk".

Do you have anything to share in the SEND Newsletter?

We would love to hear from you.

Your Help is Essential

We would welcome contributions from Children, Young People, Parents, Carers, Voluntary and Statutory Agencies:

- Are you involved with a project or group you would like to promote?
- Details of forthcoming diary dates
- Opportunities for Children and Young People with SEND
- Any ideas, views, poems etc you would like to share
- Useful websites that you would recommend to other families

Contributions for future issues- please contact us.

Email: SEND.Localoffer@bury.gov.uk

HEALTH NEWS

Hi everyone, over the last couple of months we have been holding health engagement sessions in various locations.

Here we have gone over the *You said, we are doing* survey and feeding back on a range of health-related updates, including the work to drive down waiting times. From January 2023 to 2024 waiting times overview. Please know that children when triaged are placed in priority order.

Pathway	Story	Trend
CAMHS Core	Core CAMHS waiting times have reduced from 6 months 9 weeks	
Neuro (CAMHS)	Initial slight reduction in waiting times to assessment 15 months reduced from 23.9 months in January 2023	
Community Paediatrics	Reduced waiting times longest wait not booked from 79 weeks Jan 2023 to 39 weeks Jan 2024	
SALT	Waiting times have gone up, whilst work has been undertaken to develop a school-based offer. 80 weeks	
Occupational Therapy	Priority 3 CYP was 50 Weeks wait in Jan 2023 – now 21 weeks as of Jan 2024	
Physiotherapy	Overall waiting times reduced from 25 weeks January 2023 to 15 weeks January 2024	

We know that, even though our waiting times have overall reduced, there is still more work to be done and we are working hard to address these and as part of our engagement sessions, we have been asking 4 consistent questions.

1. What is working well for you?
2. What can we do better?
3. Would the resources we have provided help you?
4. What support would help you whilst you wait?

Unfortunately, the Sensory Assessment Service is experiencing unprecedented pressures, we are working closely with the team and referrers.

In the short term, the process for securing assessment has changed, this has been communicated to those professionals who make referrals in the team.

To support people whilst they wait, a range of support resources and advice and guidance can be found here. Click on the link or scan the QR code to access the information.

Supporting Your Neurodiverse Child padlet (parenting support including sensory advice and guidance)

CHILDREN'S HEALTH SERVICES

You said...We are doing...

ARE YOU A PARENT/CARER OF A CHILD WITH SEND IN BURY

Come and hear what changes have been made in Children's Health Services around SEND.

This is an opportunity for you to have your say to tell us what is working and what is not working for you and your child.

**Friday 24th May 2024 at 10.00am until 11.00am
The Rose room, ADAB, Mosses Centre, Edward Street, Bury, BL9 0RZ**

SEND.Localoffer@bury.gov.uk

Bury Fire Service got in touch with BURY2GETHER to offer free fire safety advice to anyone coming to the SEND Hub, so they joined parents/carers at their Care & Convo coffee morning.

It was a very informative session and the fire service said they can supply and fit smoke alarms for free. They also provide specific services to SEND families around escape plans, fire setters etc... particularly advice for families with physical disabilities.

They have left leaflets with advice and contact details which can be collected from the SEND Hub. If anyone needs any more specific SEND advice BURY2GETHER have direct contact details for Bury Fire Service, please email bury2gether@gmail.com and they can share this information. BURY2GETHER are very grateful for the fire service giving up their valuable time to come to this session.

EHC Assessment 20 weeks Process

Request Stage

Local Authority (LA) receive requests for a needs assessment from educational settings, young people and parents

Case Officer reviews information, evidence and reports received

Fact - The Children & Families Act 2014 states that if the local authority is requested to carry out an EHC needs assessment by a parent, young person or school/college they must consider: whether the child has or may have special educational needs and whether they may need special educational provision made through an EHC plan

Case Officer refers case to the Education, Health, Care panel - Final decision issued in writing by week 6

EHC Needs Assessment Agreed

- ⇒ Professional advice is sought from Educational Psychologist
- ⇒ Parents can request LA to seek advice from other professionals that may already be involved such as Physiotherapist, Occupational Therapist etc
- ⇒ Views and wishes from parents and child/young person are also sought at this stage.

EHC Needs Assessment Refused

- ⇒ Refusal to assess decision is issued to parents in writing.
- ⇒ Parents to consider seeking information, advice and support.
- ⇒ Parents to consider mediation.
- ⇒ Parents given rights to submit an appeal to the SEND Tribunal within 2 months of receiving the decision letter.

EHC Evidence Gathering Stage - Week 16

LA Agreed to Issue an EHC plan

- ⇒ LA will issue a draft plan to parents/young person
- ⇒ Parents have 15 days to make representations i.e. comments of the drafted EHC plan
- ⇒ Parents also have 15 days to request a particular school and/or personal budget

LA Refuse to Issue an EHC plan

- Decision letter with reasons issued to parents/young people which contains information on:
- ⇒ Legal rights to appeal
 - ⇒ SEND Information Advice Support Service details
 - ⇒ Mediation details

Final EHC plan—Week 20

EHC plan finalised and issued to parents and shared with professionals

PARENT/CARER RELAXING MESSAGES

LITTLE HAVEN AT HOME

With funding from Magic Little Grants, BURY2GETHER are working in partnership with 'Little Haven At Home' to provide relaxing massages to parent/carers at a reduced price.

Massages are 25 minutes long, and available from **10am to 2pm**, on the following dates:
Thursday 9th, 16th & 23rd May
Thursday 6th, 13th & 27th June

Venue: Bury SEND Hub, Westminster Avenue, Radcliffe, M26 3WD

Please note: there is a car park located at the front of the building and there is a fully equipped disabled changing and toilet facility inside.

To be eligible for these sessions, you must be a parent/carer of a child/young person with SEND (Special Educational Needs and Disabilities). You must also be a member of BURY2GETHER. Membership forms can be completed here www.bury2gether.co.uk/membership

For more information, please email bury2gether@gmail.com and to book a slot, visit bookwhen.com/bury2gethertc and select the tag 'Well-being Hub'.

Choose your massage on the day:

- Back Massage (Back, Neck and Shoulders)
- Top Half Massage (Scalp, Arms, Hands and Shoulders)

Massages can be carried out using oils or seated and over clothes.

info@littlehavenathome.co.uk
facebook: @littlehavenathome

MAGIC LITTLE GRANTS

THE AQUARUN

FUN, INFLATABLE OBSTACLE COURSE SWIMMING SESSIONS!

BURY2GETHER and Bury Leisure have organised a range of dates for children and young people with SEND (Special Educational Needs and Disabilities) and their families to have some fun on the Aquarun!

Where: Ramsbottom Pool, Stubbins Lane, Ramsbottom, Bury, BL90EZ

When: Friday 31st May 3.00pm - 4.00pm
 Then every Friday during the Summer
 Holidays 3.00pm - 4.00pm

Scan to book!

Places can be booked online for the SEND child/young person for £5 each. A parent/carer can attend the session free of charge for each SEND child/young person. The free parent/carer space does not need to be booked. Other parent/carers or siblings should be booked online and places paid for (full costs are on the website).

Places can be booked five days in advance on the website buryleisure.bury.gov.uk or scan the QR Code on the right. On the bookings page, select the venue - swimming timetable - select the date of the session you wish to book (ensure the 'starting from' box is displaying an earlier time than the session start time)

Wellbeing Workshops

For parent/carers of young people with SEND

SEND Early Years (age 0-5) Sessions

2 hour Stay & Play

UPCOMING SESSIONS:
 Wednesday 13th March
 Wednesday 27th March
 Wednesday 17th April
 Wednesday 1st May
 Wednesday 15th May
 Time: 11.00am - 1.00pm

Bee Inclusive is hosting the above Early Years sessions for children with Special Educational Needs and Disabilities (SEND) aged 0-5 years and their parent/carers. The sessions will be filled with lots of fun and educational activities.

These sessions are facilitated by Kelly Judd (Senior Portage Worker) and Laura Trevor (SEND Health Visitor) with support from other professionals and volunteers who will be available for advice and support. Refreshments will be available, and the Sensory Room and sensory courtyard will be open for use. A parent/carer must stay and supervise their child at all times.

To be considered for a place, you must meet the following criteria:

- Is your child 0-5 years old?
- Does your child live in (or access) services in Bury?
- Do any of the following apply? 1) Does your child have a diagnosis of SEND? 2) Do you or professionals suspect that your child has SEND? 3) Is your child on the pathway for a SEND diagnosis?

Please note: In order to allocate places on these sessions, professionals will prioritise children who are not in an early years setting, who are not currently accessing early years services, children who cannot access generic early help sessions, and those who haven't attended our sessions before.

Visit <https://bookwhen.com/beeinclusive> to request a place at these sessions. You will be contacted by Bee Inclusive if your family have been allocated a place. Please note: bookings will open 20 days before each session.
