The Welly Community Café, Manchester Road Park, Bury.
Friday 13th October 2023 between 10.00am and 11.30am

Kasia Taylor – SEND Parent Carer Communications and Engagement Officer
will be available to tell you about the Local Offer and signpost you to any support you need.

Paediatric Physiotherapy

In 2022 the adaptive equipment company Jiraffe asked Bury to collaborate on a trial as they wanted to demonstrate the benefits of the adaptive trike in the school setting for children with disabilities. Historically the adaptive trike has been viewed as recreational and non-essential activity for children with disabilities yet for typically developing children learning to ride a bike is an integral milestone in their development. For children with disabilities there are few opportunities to meet the 20 minutes of recommended activity as adaptive equipment can be expensive, large and difficult to transport.

The trials completed in Millwood highlighted this further as the results were incredible and not only demonstrated improvements in the children's fitness, co-ordination, and strength as pre and post resting heartrates were taken as well as a 1-minute walk and a balance scale with improvement seen in all 3 areas. The trial showed how the use of adaptive trikes can change the way a child can access the world.

Jiraffe donated 2 trikes to Millwood school and due to the fantastic results, the school have purchased 4 more. As a result, we have been able to set up a trike club to cascade the opportunities to more children.

Following the success of the trikes a further 2 trikes have been donated and a loan scheme has now been set up by the physiotherapy team for families who have been identified to benefit from trailing the adaptive trike.

Hello from our newly appointed Paediatric Epilepsy Nurse -

Michael Donohoe

I have been a Paediatric Epilepsy Nurse for 10 years, working within Rochdale. I am currently based with the Children's Community Nursing Team at Radcliffe Primary Care Centre.

Working in Bury I aim to achieve a gold standard of care for children and young people aged between 0 – 19 years of age delivering care and support around their Epilepsy needs. This will be through nurse led clinics in the community, joint consultant clinics with Paediatricians and Neurologists, home visits, telephone and virtual appointments. I will be offering bespoke advice, support and training around individuals Epilepsy whilst ensuring that care remains closer to home for our children and families and with the aim of avoiding hospital admissions.

I will be working with partner agencies such as health and education but also with the local authority, charities, and parents/ carers to ensure that the service can be one which is accessible to all and one which the borough of Bury can be proud of.

Meeting with BURY2GETHER Parent Carer Forum

(Rochelle Followes, Michael Donohoe, Martin McAndrew)

CAMHS on Instagram.

Bury CAMHS are now live on Instagram, and we have been posting resources and updates on what is going on within the service.

Please follow us @**Penninecamhs** to see what we are up to; we are welcome to take on feedback and suggestions about what you would like to see on here. So far, we have doubled our followers and have had a lot of positive feedback!

We hope this will be a helpful resource for children and young people, parents, and other professionals.

For more information from CAMHS, please click on the link to read their newsletter:

[CAMHS Newsletter | The Bury Directory](#)

Local Offer update

The revisions to the Local Offer are well underway and we have been working with determination to ensure that it is the feedback from our stakeholders driving the changes.

Very positive feedback has been received in respect of the co-production events held in the summer term from parents/carers, children and young people and services alike. To keep the momentum going and the communication channels open, we are aiming to establish an annual cycle of informal co-production events where all stakeholders can share their views about Bury's Local Offer – not just the website, but the Offer itself. If you would like to exercise your right to influence Bury's Local Offer, you are invited attend any of the four November events listed below:

Virtual events:

- Tuesday 7 November 2023 – 7-8.30pm on Microsoft Teams
 - [Click here to join the meeting](#)
- Monday 13 November 2023 – 10.30am-12pm on Microsoft Teams
 - [Click here to join the meeting](#)

You do not need to book on to these events. Just use the Teams link below each date to join either of these meetings.

Face to face events:

- Monday 20 November 2023 – 7-8.30.30pm
 - Redvales Family Hub, Dorset Drive, Bury, BL9 9DN
- Tuesday 28 November 2023 – 10.30am-12pm
 - Redvales Family Hub, Dorset Drive, Bury, BL9 9DN

You do not need to book on to these events. Just turn up on the day to join either of these meetings.

With many thanks for your support. We look forward to seeing you then!

Graduated Approach Toolkit – familiarisation sessions for parents and carers

The Graduated Approach Toolkit (GAT) is an online resource which offers guidance and support to improve inclusion in educational settings.

The SEND Support Service is offering two sessions for interested parents and carers to introduce how the GAT can be used. Each event provides a 30-minute Teams walk-through to demonstrate ways in which the GAT can be used by parents and carers to better understand the processes for supporting children with Special Educational Needs and Disabilities (SEND) in education settings. There will also be an opportunity to ask questions. No previous knowledge of the GAT is required to benefit from the sessions.

Events will be held on the following dates:

- Tuesday 10 October 2023 – 7-7.30pm
 - [Click here to join the meeting](#)
- Monday 4 December 2023 – 7-7.30pm
 - [Click here to join the meeting](#)

You do not need to book on to the sessions. Just use the Teams link below each date to join the meeting.

We look forward to seeing you there!

Vision and Hearing Impairment/Deaf Education Service

Vision: The Vision and Hearing Impairment/Deaf Education Service has had many years and multiple positive working experiences with Henshaws. **Henshaws** is a charitable service based in Trafford, which supports children and young people from birth to 18 years if they have sight loss, and birth to 25 years if they have additional disabilities: <https://www.henshaws.org.uk/sight-loss-support-team/children-young-people-families/>

The service provides opportunities for children and young people to develop their independence skills through the “I Can Do It” residential programme, and social activities and opportunities for the whole family that usually take place during school holidays and on weekends.

The service also offers information, advice and guidance on a one-to-one basis, and can signpost or refer families to other organisations if needs be. Families can self-refer via the link below:

<https://forms.office.com/e/MMdfzRrXrg>

Hearing: The Vision and Hearing Impairment/Deaf Education Service is involved with the Children’s Hearing Services Working Groups (**CHSWGs**). The group ensures that the services for deaf children and their families in your area work together to provide the best support possible. They are based in health authority areas in England. Parents of deaf children, as well as any other service users, and professionals who provide services for deaf children, such as teachers of the deaf, audiologists, and speech and language therapists, all attend many CHSWG meetings along with the NDCS.

The group aims to:

- Ensure a coordinated successful delivery of high-quality services for hearing impaired children and their families.
- Develop the service and look at issues associated with successful service delivery.
- Ensure a high quality seamless family friendly service.
- Monitor and improve services for hearing impaired children and their families.
- Support the development of local policies in keeping with national, regional and local guidelines.
- To raise awareness of hearing impairment and the services required.

If you might be interested as a parent to attend the meetings via Microsoft Teams, please email NESaudiology@nca.nhs.uk.

Lesley Woods
Manager, Vision & Hearing/Deaf Education Service
L.A.Woods@bury.gov.uk

Speech and Language Therapy Team

The Speech and Language Therapy team are delighted with the success of the school service pilot and are pleased to be extending this to another 25 primary schools over the Autumn term, followed by the remaining 20 primary schools in the Spring term. Each school will have a named Speech and Language Therapist. Children will no longer need to be brought out of school to attend clinic and they will benefit from being seen in their everyday environment. It will ensure greater partnership working between Speech and Language Therapy and school staff. We have several options to ensure parents are kept informed and involved in their child's care. There will be a new referral pathway for primary schools that will reduce waiting times.

The Bury Speech Sound Screen Toolkit and Resource packs successfully launched this year. As part of the launch, staff from the Bury Paediatric Speech and Language Therapy team have been training school and nursery staff on how to support children's speech sound development. The training focused on strategies that can be used throughout the day in school/nursery.

The team are also working hard to support development of areas of the Bury Early Years Speech, Language and Communication pathway, with a focus on targeted support for children aged 18 months – 3 years with emerging speech, language, and communication needs. The team have also been working with partners across Greater Manchester to help improve speech, language and communication activity sheets for parents and carers.

"We are excited to announce the start of our new training pathway to provide support and education for all matters speech, language, and communication for those working with school age children. The courses are free and are open for anyone to attend including parents and professionals. These courses will be delivered online. Please find below a list of the courses running this academic year:

Tuesday 10th October – Introduction to Speech Language and Communication – KS1 & 2

Tuesday 14th November – Speech Sound difficulties and using the speech sound screen.

Tuesday 5th December – Introduction to Speech Language and Communication – KS3 & 4

Tuesday 16th January – Understanding Questions and the Blanks Level scheme.

Tuesday 6th March – Vocabulary Development

Tuesday 23rd April - Introduction to Speech Language and Communication – KS1 & 2

Tuesday 14th May Speech Sound difficulties and using the speech sound screen.

Tuesday 11th June Understanding Questions and the Blanks Level scheme

Please not all courses run from 3pm – 4pm.

To sign up please email with your name, email address and school you work at (if applicable) burypaediatricslt@nca.nhs.uk

Parent/Carer Wellbeing Workshops

BURY2GETHER are pleased to introduce a new series of wellbeing events for our Parent/Carer members. We have two different wellbeing sessions on offer, each available on a variety of dates and times. We are very grateful for the support of ASDA Foundation, whose 'Empowering Local Communities' grant has subsidised these events.

Create & Escape Self Care & Cake

Subsidised Tickets Cost

£3

Join us for a relaxing evening art session, where you will be guided to create a beautiful piece of art work. Meet other parent/carers within the community, get creative whilst enjoying some lovely nibbles and drinks

Join us for a relaxing but informative session on self care. This session is an informal workshop where you will be guided through activities to support and improve your overall wellbeing alongside some lovely nibbles and drinks.

SAVE THE DATE

Friday 17th November
6:00pm - 8:00pm

Friday 12th January

CARE & CONVO

Supporting Parent/Carers who have a Child/Young Person with a Special Educational Need and/or a Disability (SEND), aged 0-25, who access Bury services.

Are you a Parent/Carer?

Fancy a brew and an offload to other parent/carers? We are here to listen. (Children/Young People welcome).

Bury SENDIass will be attending to support/advise parents. Bury's Epilepsy Nurse will also be in attendance.

Next dates: Thurs 12th October 1.00pm - 2.00pm

During this session, our parent/carer wellbeing library will be open! This is the opportunity for our members to borrow wellbeing resources and equipment to use at home.

Our printing station will be set up. The sensory room will be open and parent/carers can help themselves to 'invisible disability' lanyards.

Please let us know you are coming by booking your place at the email address below: BURY2GETHER@gmail.com www.bury2gether.co.uk

I just feel so alone.

I really need some support now.

'Look out for the next Early Years stay & play which is taking place on the 8th November - booking will open on the 25th October at [bookwhen/beeinclusive](https://bookwhen.com/beeinclusive)'

SEND Early Years (age 0-5) Sessions

2 hour Stay & Play

UPCOMING SESSION:

Wednesday 25th October 2023

Time: 11.00am - 1.00pm

Bee Inclusive is hosting the above Early Years sessions for children with Special Educational Needs and Disabilities (SEND) aged 0-5 years and their parent/carers. The sessions will be filled with lots of fun and educational activities.

These sessions are facilitated by Kelly Judd (Senior Portage Worker) and Laura Trevor (SEND Health Visitor) with support from other professionals and volunteers who will be available for advice and support. Refreshments will be available, and the Sensory Room and sensory courtyard will be open for use. A parent/carer must stay and supervise their child at all times.

To be considered for a place, you must meet the following criteria:

- Is your child 0-5 years old?
- Does your child live in (or access) services in Bury?
- Do any of the following apply? 1) Does your child have a diagnosis of SEND? 2) Do you or professionals suspect that your child has SEND? 3) Is your child on the pathway for a SEND diagnosis?

Please note: In order to allocate places on these sessions, professionals will prioritise children who are not in an early years setting, who are not currently accessing early years services, children who cannot access generic early help sessions, and those who haven't attended our sessions before.

Visit www.bookwhen.co.uk/beeinclusive to request a place at this session. You will be contacted by Bee Inclusive if your family have been allocated a place.

Supporting Communication with OakLP Outreach and Speech and Language

Around 1.4 million children in the UK have long term speech, language and communication needs (SLCN) that they won't grow out of. That equates to around 10% of children - **two or three in every classroom**.

Good communication skills are linked to achievement and life chances. Unsupported speech and language delays affect attainment, learning, literacy, social relationships, behavior, mental health and ultimately employment and social mobility.

Supporting Speech and Language with OakLP Outreach

Who is it aimed at – SENCO/Teachers/TA's/Heads so that the training can be delivered as a whole school staff training offer.

Length of training – 1 hour by TEAMS each session
3-4pm

Trainer – Lucy Oliver (Speech and Language Therapist)

Cost – free of charge for Bury schools *please contact outreach@oaklp.co.uk if you are a school outside of Bury and you would like to attend.

Autism Education Trust's (AET) Schools Professional Development Programme with OakLP Outreach

- Over 1 in 100 people are autistic and the number of children receiving an autism diagnosis is rising. In Bury we have 430 young people currently on the autism pathway (CAMHS, 2023)
- Seven in ten autistic children and young people said school would be better if more teachers understood autism. (NAS education report, 2023)
- 61% of teacher surveyed had less than 1/2 days autism training
- The current waiting time for an initial assessment for neurodevelopment is 14 months, the waiting time from point of referral to diagnosis is around 2 years (Bury CAMHS, 2023).

OakLP are working with the Local Authority and Health to support the graduated approach and increase awareness of autism and how to support young learners effectively.

AET accredited certificated training 'Making sense of Autism'

Who is it aimed at – SENCO/member of SLT so that the training can be delivered as a whole school staff training offer.

Length of training – 3 hours

Date/Location – 2nd, 9th November 2023 (am/pm session)

Cost – free of charge for Bury schools *please contact outreach@oaklp.co.uk if you are a school outside of Bury and you would like to attend
