

What's inside

- Introducing Deborah Glassbrook, the chair of the new improvement board
- Introducing Wendy Young our new lead for services for children with additional needs
- Updates about what we are doing to improve services
- Survey about ADHD services
- Tell us your views about out of school education
- New service for children with autism from Spectrum Gaming
- More schools using myHappyMind

Introduction

Hi all, we hope you have had a good summer.

We have been working hard during the break but we appreciate that you may not see or feel that right now. That's why we are putting out this briefing to let you know about some of the things we have been doing recently.

We want to let you know of the arrangements for our improvement journey and Deborah Glassbrook, who is the independent chair of our improvement board has contributed into this briefing to assure you of the ongoing work to improve service.

We also want to let you know about some of the developments that are happening.

One of the exciting things is that has happened is we have a new strategic lead for SEND in Bury. Wendy joined us just before the summer break and has hit the ground running.

Welcome to both Deborah and Wendy to the Bury family.

**Stephen Holden,
Director of Education**

Deborah leads our improvement journey

Hello, my name is Deborah Glassbrook and I have the amazing job of chairing the monthly SEND Improvement and Assurance Board often referred to as SAIB.

I have worked with and on behalf of children for 46 years starting my career as a nurse working with children, young people and adults who had significant additional needs and lived in a hospital.

I was a Social Worker for 40 years and had a wonderful time doing a whole range of jobs including setting up a MENCAP respite home, working for the BBC and becoming the first Deputy Director of ChildLine, being a Child Protection Chair and Independent Reviewing Officer, working as a Research Fellow at the University of Bristol and being a Director of Children's Services.

I now have my own consultancy called Optimising Potential Limited – called that because that is what I believe passionately about – optimising the potential of children, of young people, of their families, of teams and services and organisations and of local areas.

I will explain what the SIAB is but first need to explain about what happened leading up to there being a SIAB.

In February 2024 Bury Local Area had an Area SEND inspection undertaken by the Office for Standards in Education, Children's Services and

Skills (Ofsted) and the Care Quality Commission (CQC). You can find out more about the inspection by reading the inspection framework [Area SEND inspections: framework and handbook - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/publications/area-send-framework-and-handbook/area-send-inspections-framework-and-handbook)
<https://www.gov.uk/government/publications/area-send-framework-and-handbook/area-send-inspections-framework-and-handbook>

The outcome of the inspection was that there are widespread and/or systemic failings leading to significant concerns about the experiences and outcomes of children and young people

... continued on next page

Deborah leads our improvement journey continued ...

with special educational needs and/or disabilities, which the local area partnership must address urgently.'

As a result of the inspection, the Local Area Partnership had to prepare and submit a Priority Impact Plan to address the 6 priority areas and 3 areas for improvement outlined in the report – you can read the inspection report by clicking on here <https://www.bury.gov.uk/social-care-and-support/child-care-and-support/children-with-disabilities/bury-send-local-offer/burys-improvement-journey-information/burys-improvement-journey-information> which will take you to the Local Offer.

Improvement Notice

Bury also received what is called an Improvement Notice issued by the Department of Education.

The Improvement Notice under section 5 says 'the council must ensure there is an improvement board, with an independent chair agreed by the Department.'

I had been doing some work supporting Leaders in Bury before the inspection as part of my role as a SEND Improvement Advisor with the Local Government Association and was asked to be the Chair of the improvement board as soon as the inspection outcome was known. I had no hesitation in agreeing.

SIAB is attended by key leaders across Education, Health, the council and Bury2gether

as well as young people and this group of people are responsible for providing strategic system and partnership leadership, assurance and oversight of the 6 priority impact areas and 3 area of improvement so that improvements will be made, at pace.

The SAIB members need to make sure that any barriers to progress are identified, building on what is working well and improving what is not. The SIAB members use the Priority Impact Plan to track who should be doing what and by when and has regular reports from the leads of the 6+3.

We have notes of the SIAB meetings which are shared on the Local Offer so please have a look at those to find out more about what has been discussed at each of the meetings – we have had 3 meetings so far in June, July and August.

I hope that what I have written about is helpful and interesting – thank you for taking the time to read it.

I am looking forward to sharing more about the work of the SIAB over the coming months.

**Deborah Glassbrook,
Chair of SEND Improvement and
Assurance Board**

Wendy Young, our new lead for services

I am delighted to have been invited to take on the role of Head of SEND and Inclusion in Bury and I am eager to work with you all.

Before joining Bury Council, I have spent the past 17 years in local government working in SEND Services, across Greater Manchester, at both operational and strategic levels.

I am thrilled to bring my experience to the local area and to contribute to our shared objectives and improvement journey.

I am keen that together, we make a positive difference for all our children and young people and to support them through their lived experience.

Since my appointment in the summer, I have been familiarising myself with the local area and considering our services for children with different needs.

This includes reviewing our SEND Assessment and Review Team and getting the resources in to attract extra staff to the team.

I understand how important communication is to all our service users and that this has not been to a standard you would anticipate and is an area we are working to improve.

This newsletter is a key part of that communication and in the coming months we look forward to working with you and sharing updates about our progress in a number of areas.

Wendy Young
Head of Service, SEND & Inclusion

Tell us what you think about education outside of school

We want to hear what you think about our Education Otherwise Than At School (EOTAS) policy for Bury.

We're holding parents forum in the next few months for you to come along and give us your views. The forums are part of the next stage of our development of the policy for Bury.

The draft policy will be provided for the meetings and each will follow the same format so you don't need to come along to more than one unless you wish to do so.

These forums will take place on:

Tuesday 29 October 5-6.30pm on Teams and please join using the following link

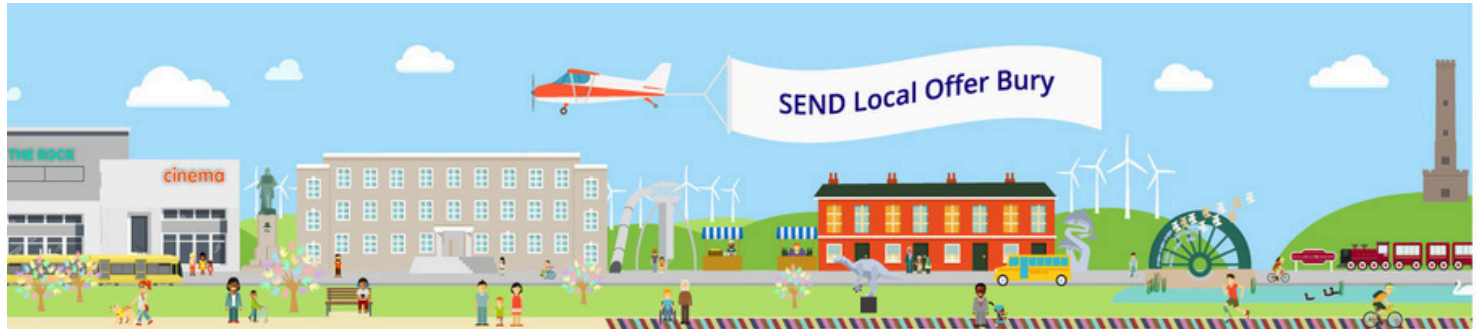

https://teams.microsoft.com/l/meetup-join/19%3ameeting_NmVkMzY3ODQtYTUzNy00OTVvLTgzOTEtMzg5NzRjZGM2MTlj%40thread.v2/0?context=%7b%22Tid%22%3a%22b3b731d0-98c0-440b-8765-8d6464a8ed82%22%2c%22Oid%22%3a%226c1738be-683b-487f-8907-e741bab43482%22%7d

Wednesday 30th October 11.30am-1pm (in person) at Elizabethan Suite, Lancaster Room Bury Town Hall

Thursday 31st October 11am-12.30pm on Teams, please use the following link

Local Offer update

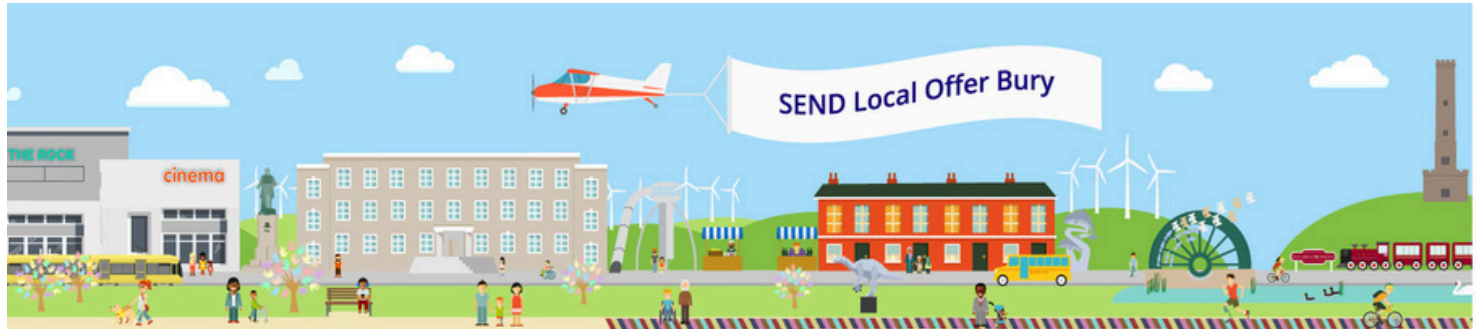

Work is continuing to develop the Local Offer and to keep it up to date and relevant to Bury's children and young people with additional needs and their families.

The revised Local Offer has moved to the council website and is available here: [Bury SEND Local Offer - Bury Council](https://www.bury.gov.uk/social-care-and-support/child-care-and-support/children-with-disabilities/bury-send-local-offer) - <https://www.bury.gov.uk/social-care-and-support/child-care-and-support/children-with-disabilities/bury-send-local-offer>

Information is now organised into service specific sections and new sections have been introduced in response to feedback from our families:

- A 'What is the Local Offer' section, including a services contacts list
 - A section for families new to SEND with a case study and a video
 - Any families wishing to share their story or ideas in this section can email send.localoffer@bury.gov.uk to make contact
- An 'Out and About' section has been added to share relevant local family events: [Out and About - Bury Council](https://www.bury.gov.uk/social-care-and-support/child-care-and-support/children-with-disabilities/bury-send-local-offer/making-your-life-easier/out-and-about) - <https://www.bury.gov.uk/social-care-and-support/child-care-and-support/children-with-disabilities/bury-send-local-offer/making-your-life-easier/out-and-about>
- A new Alternative Provision section has been added in the Education and Childcare section: [Education and childcare - Bury Council](https://www.bury.gov.uk/social-care-and-support/child-care-and-support/children-with-disabilities/bury-send-local-offer/education-and-childcare) - <https://www.bury.gov.uk/social-care-and-support/child-care-and-support/children-with-disabilities/bury-send-local-offer/education-and-childcare>

Local Offer update

- 'The Friends of the Local Offer' is an informal opportunity for any parent, carer, service user or service representative from across Bury to find out the latest updates about the Local Offer, to have their say about the design and content and to keep up with developments:
 - Thursday 7 November 2024 7pm to 8pm
 - Just click this link to [join the meeting on Teams](#)
 - Tuesday 5 November 2024 10am to 11.30am
 - In the training room at Bury East Hub, Dorset Drive, Bury, BL9 9DN.
 - Everyone is welcome and there is no need to book on any of the meetings; just turn up on the day to join.
- Development work is continuing with a priority on the Preparing for Adulthood section as this is linked to the Priority Impact Plan action area 4: [Bury's Improvement Journey Information - Bury Council](https://www.bury.gov.uk/social-care-and-support/child-care-and-support/children-with-disabilities/bury-send-local-offer/burys-improvement-journey-information/burys-improvement-journey-information) - <https://www.bury.gov.uk/social-care-and-support/child-care-and-support/children-with-disabilities/bury-send-local-offer/burys-improvement-journey-information/burys-improvement-journey-information>

Your support and feedback is always really appreciated to keep our Local Offer as relevant as possible so do stay in touch: send.localoffer@bury.gov.uk

EHC Assessment and Review Team update

As you will be aware, the Local Authority is subject to a Priority Impact Plan (PIP), which outlines our areas of improvement, following our most recent Local Area SEND Inspection.

The EHC Assessment and Review Team is committed to contributing to this improvement to make sure that we improve service delivery and most importantly the lived experiences of our children, young people with additional needs and our families.

We continue to improve our timeliness of issuing new EHC Plans within the 20 week period and we are now focused on improving our Annual Review process so our families see a prompt response following a formal review of an EHC Plan.

We are pleased to share that additional

resource has been secured and agreed to build capacity in the team to deliver this and recruitment procedures are now underway. We have also set out a core training and development plan for all staff.

We understand how important communication is for our families and professionals so have developed a duty line, as a first step to improving this.

Calls will continue to reach the general enquiry line (0161 253 5969) and Coordinators and Assistants will continue to respond to the enquiries, wherever possible.

If you need to speak to your assigned officer and are unable to reach them, you will be offered contact from the duty officer the same day.

Inclusion and Outreach Teams

The vision for Inclusion and SEND in Bury is that there is a well understood and deliverable SEND Support and Outreach offer, aligning with Bury's strategic objectives, and which helps to support some of our local area challenges.

The offer for Inclusion and Outreach teams has been revised for this academic year and includes the collaboration with Oak Learning Partnership and the Educational Psychology Service.

Details can be found on the Local Offer in the SEND Support section here: [SEND Support Services - Bury Council](#)

The rationale for these developments is that services will work more closely together to compliment each other's offers and to provide a more comprehensive approach to supporting schools and the community.

School & College Transport Team

The start of the new school year has been an exceptionally busy period for the team as we continue to plan travel arrangements for the new academic year.

We have successfully recruited to the vacant Travel Co-ordinator posts. Jack Burney and Marie Tedros joined the team at the start of September and are busy settling into their new roles. I'm sure many of you will speak with them over the coming months.

From September, we have been providing travel assistance to 594 children & young people and have introduced 16 new routes for the academic year.

Unfortunately, three pupil escorts resigned from their role over the summer holiday and at the start of September we were operating 13 transport routes without a pupil escort in place.

Job adverts have been consistently advertised between June and September and several staff have been appointed and allocated to their route during September. All vacancies are advertised on Greater Jobs; Bury - Home | greater.jobs

From Monday 28 October the number of routes operating without a pupil escort will reduce to 6 plus 1 route requiring cover for afternoons only. One pupil escort is due to commence their employment on Monday 28

October and will be allocated to their permanent route following two weeks mandatory training. A further three candidates are awaiting finalisation of recruitment checks.

The team manage a small pool of relief pupil escorts, whilst the recruitment process is ongoing relief staff will be allocated wherever possible to accompany the pupils on their journey to and from school.

We will always try to provide cover for pupil escort sickness and vacant routes however, there are occasions where this is not possible. Some contractors are providing spare drivers to act as escorts, however it is not always possible to allocate an escort at such short notice.

We continue to prioritise recruitment. The team appreciates that the cancellation of transport is difficult for the children and their families, cancellations will only be made as a last resort when all other options have been explored. In the event of a cancellation the team will endeavour to contact families as soon as possible to allow as much time for alternative arrangements to be put in place.

Rather than cancel transport for the whole day, wherever possible if cover can be found for the morning or afternoon, parents/carers are asked to make alternative arrangements for the other journey, which hopefully lessens the impact for families.

Health update

Greater Manchester

Children's ADHD public engagement exercise launch

NHS Greater Manchester wants to improve children's Attention Deficit Hyperactivity Disorder (ADHD) services and would like to hear from you.

NHS GM has launched a public engagement exercise to gather views about children and young people's attention deficit hyperactivity disorder (ADHD) services. (go to <https://gmintegratedcare.org.uk/childrens-adhd-services/>)

We want children and young people to have timely access to support that is tailored to helping them to manage their ADHD condition and symptoms, considering their needs as a whole and not focusing on their diagnosis.

The engagement exercise, which runs until Friday 29 November 2024, seeks to address some of the issues including long wait times, levels of ongoing support for patients, the assessment process, and how services vary across Greater Manchester.

Our biggest priority is to improve how cases are prioritised, and making sure that children and young people who are most in need get help fastest.

We want to hear from people living with

ADHD, their family members or carers, and anyone working with people who have ADHD in Greater Manchester.

We have worked closely with professionals from health, schools and social care, as well as families, children and young people to understand the issues with services and how to improve them.

There are several ways in which you can have your say and for further information about how to take part please go to [NHS GM](https://gmintegratedcare.org.uk/childrens-adhd-services/) - <https://gmintegratedcare.org.uk/childrens-adhd-services/>

Health update

Greater Manchester

We have expanded our myHappyMind offer across all schools in Bury and many of the schools have taken this up.

myHappyMind currently supports currently more than 12 thousand children in primary schools and the feedback we are getting from children's parents and staff is amazing.

We are also launching our teen offer in September and the programme will be available in secondary settings in Bury.

During a recent visit to Chapelfield Primary School we saw it in action. The schools' children, staff and environment highlighted to us how this programme is providing such a wealth of support to every pupil in the school.

We met with the Happiness Champions and wider school population as they progressed through their myHappyMind lessons.

Staff fully embed the programme across other curriculum areas to help set goals and to encourage better listening skills. They also use the resources outside of the set time scales to centre and calm the children prior to lessons.

Feedback from children, teachers and special educational needs co-ordinators across Bury includes:

“When I am feeling sad or stressed,
I use Happy Breathing to calm me down.”

“I understand my emotions better.”

“It's a peaceful thing to learn and helps with my well-being by putting me in a good mood.”

Health update

Greater Manchester

Head Teacher feedback

"myHappyMind has definitely had a positive impact on the emotional and mental health of our children in school since we have been on our journey with the programme.

"Children now have a good understanding of their brains and what constitutes good mental health.

"It is now more common for children to talk about what it means to be dysregulated and use the language of Team H-A-P to help talk about their emotions and how to regulate. "

Teacher feedback

"The children feel calm when they do Happy Breathing.

"They have also learnt that mistakes help our brain to grow and learn, and they use this throughout all lessons as a reminder.

"They better understand their brain and how their feelings are working."

Special educational needs co-ordinators feedback

"As the Year 3 teacher, co-ordinator and designated mental health lead, I see the impact of using such a structured and practical scheme.

"myHappyMind has supported us to be research-informed and on the cutting edge of providing children with the language to verbalise their emotions, understand their feelings and visibly support their regulation.

"The difference in our children and the calm is palpable."

Spectrum Gaming offer

We have launched our new Peer-to-Peer offer for autistic children and young people, with Spectrum Gaming.

The first group of young people started last month and we look forward to hearing how young people enjoy the 'Autism Understood' sessions.

We will have further information about how to get involved in our next edition.

Health Visitor increase

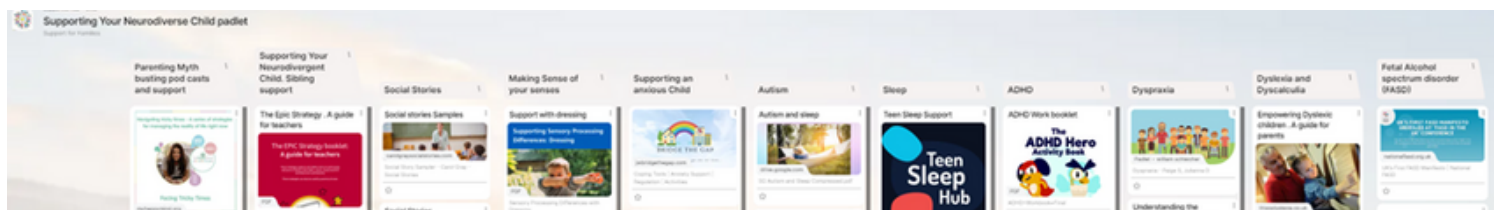

We have secured additional investment into our Health Visiting team and this has seen an increase in the number of our SEND Health Visitors recruitment during the summer to increase the team to 4.8 posts.

Bury Adult Social Care Services want to hear from young people, their families and carers.

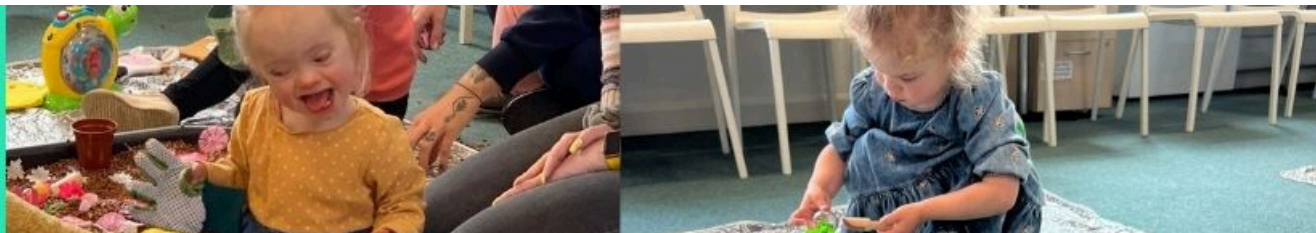

We want to gather ideas, experiences and views to help develop the new policy for young people, who are likely to be eligible for Adult Social Care Services from age 18.

- What do you think should happen when young people reach the age of 14-18?
- What has been your experience of transition to adulthood services?

Please come along and share your ideas and experiences.

Please book a place by emailing your name, number of attendees, and preferred date to Jacqui on: j.waite@bury.gov.uk

What's on

SEND Early Years (age 0-5) Sessions 2 hour Stay & Play

UPCOMING SESSIONS:
Wednesday 6th November
Wednesday 20th November
Wednesday 27th November
Wednesday 11th December
Time: 11.00am - 1.00pm

Bee Inclusive is hosting the above Early Years sessions for children with Special Educational Needs and Disabilities (SEND) aged 0-5 years and their parent/carers. The sessions will be filled with lots of fun and educational activities.

These sessions are facilitated by Kelly Judd (Senior Portage Worker) and Laura Trevor (SEND Health Visitor) with support from other professionals and volunteers who will be available for advice and support. Refreshments will be available, and the Sensory Room and sensory courtyard will be open for use. A parent/carer must stay and supervise their child at all times.

To be considered for a place, you must meet the following criteria:

- Is your child 0-5 years old?
- Does your child live in (or access) services in Bury?
- Do any of the following apply? 1) Does your child have a diagnosis of SEND? 2) Do you or professionals suspect that your child has SEND? 3) Is your child on the pathway for a SEND diagnosis?

Please note: In order to allocate places on these sessions, professionals will prioritise children who are not in an early years setting, who are not currently accessing early years services, children who cannot access generic early help sessions, and those who haven't attended our sessions before.

Visit bookwhen.com/beeinclusive to request a place. You will be contacted by Bee Inclusive if your family has been allocated a place. Please note: bookings open 20 days before each session and close 6 days before each session.
